

LEAVE REPLACEMENT SPECIAL EDUCATION TEACHERS 2016-2017 ACADEMIC YEAR

ELEMENTARY – position available immediately through approximately April 2017; must hold NJ DOE Elementary and Teacher of Students with Disabilities Certificates.

SIXTH GRADE – position available late February 2017 to June 2017; responsible for small group instruction in mathematics; must hold Elementary N-8 or Elementary K-6 and Teacher of Students with Disabilities and must demonstrate content qualification in the area of mathematics.

Primary Function: The Special Education Teacher provides direct and indirect academic and behavioral instruction and support to eligible students in a resource setting, in the general classroom and/or in a classroom for students with multiple disabilities.

Major Duties and Responsibilities:

1. Assumes professional responsibility for providing specialized learning experiences to students with disabilities in a supportive and positive classroom climate that develops in each student the skills, attitudes, and knowledge as outlined in the Individualized Education Plan (IEP).
2. Prepares lesson plans with special education strategies designed to accelerated student progress.
3. Is knowledgeable of current best practices in teaching reading, writing, and mathematics to students with special needs.
4. Utilizes data to construct and offer differentiated instruction to meet the diverse needs of each student.
5. Works collaboratively with administration, child study team, general education teachers, related services staff, and parents.
6. Works in partnership with case manager to compose IEPs, as needed, to ensure that the needs of special education students are being met
7. Demonstrates knowledge of current rules and regulations regarding special education and program requirements.
8. Strong command of technology to support instruction.

Prior experience working with elementary, and/or middle-school aged students preferred.
