

# Haines/Memorial Late Bus Pass

## 2018-2019

Why consider a late bus pass? It provides the convenience of allowing your child the option of staying after school for a variety of purposes if you are unable to provide transportation. Students may ride the late bus after participating in activities such as:

- Clubs & Intramurals
- Extra help from teachers
- Special Events (ex. Student Council Spirit Week)
- Teacher detention
- Homework Hangout

The bus pass will permit participating students transportation on their scheduled late bus which will be available on most Tuesdays, Wednesdays & Thursdays. The late busses will begin after the first few weeks of school until the beginning of June (exact dates will be announced). This will coincide with the Clubs & Intramurals schedule. Please note: interscholastic team practices end beyond the late bus time. Late buses are not available for these sports. The late buses combine bus runs with St. Mary of the Lakes picking up students from Haines & Memorial at approximately 3:10 p.m.

The bus passes will cost \$25.00 per student and will be sold for a limited time only. In order for late busses to be available, we must have participation of a minimum of one half of the Haines & Memorial student population. To determine if the late buses will be offered, payment and permission is due no later than **Wednesday, August 1<sup>st</sup>**. If there is not enough participation, we will refund your money in full.

### BUS PASS PERMISSION SLIP

Student Name: \_\_\_\_\_ Grade Level: \_\_\_\_\_

I would like to purchase a late bus pass for my child to be used for transportation home at the conclusion of the after school activities and/or extra help for which I have given him/her permission to attend during the school year 2018-2019. I understand that my child will be assigned to a specific late bus route according to our home address which I have given below. I also understand that students may ride **only their assigned** bus home. I have enclosed \$25.00 for this purpose (Checks made payable to *Medford Township Board of Education*). I understand that my child must show the pass at the time of boarding the bus. If the late bus pass is lost, it can be replaced at an additional charge of \$2.00.
