Most Frequently Asked Enrichment/Challenge Questions

1. There is a week to sign on to the Google classroom and complete the enrichment form (and challenge applications if applicable). Is it a first come first serve basis?
   - No. GENESIS does not recognize the time/date stamp the form produces.

2. Can I submit more than one enrichment form if I change my mind?
   - Yes. Up until the due date. We will take the latest submission based on the time/date stamp.

3. Do I have to choose 6 different choices?
   - YES! If you do not chose six choices, you will not be able to submit the form.

4. Do I have to choose my choices in order of preference?
   - Yes, for guidance purposes only. Unfortunately, the computer does not know what order you choose when the form is submitted.

5. If I like a class can I choose it more than once?
   - No. Only choose a class one time.

6. If my friends and I all pick the same classes will we be together?
   - No. The computer randomly selects the courses out of over 650 students.
     - Pick what you are interested in, not what your friends are interested in. You may end up in the class that your friend really wanted, without your friend.

7. What if I am in Pre-teaching Language Arts or Math this year, do I still have to choose six choices?
   - YES! There is a possibility that you may not be placed in a Pre-teaching class and therefore will need other enrichment classes.

8. If I make Memorial Singers do I have to be in Chorus?
   - Yes. The only exception would be if you were to make it into a challenge class that runs on the Chorus day.
9. If I make it into Jazz Band do I have to be in Band?
   - Yes. The only exception would be if you were to make it into a challenge class that runs on the Band day or you play an instrument that is not part of the Band. Ex: Electric guitar

10. What if I only want challenge classes?
    - You still need to choose six enrichment choices in case you are not selected for the challenge class. In addition, you need to submit a challenge application for each challenge course you are interested in.

11. Why do I need to choose six choices if I only want challenges classes?
    - If you do not turn in an application for each challenge class, or you are not accepted into the challenge classes of your choice, the enrichment classes are your back-up.

12. If I get accepted into a challenge class will it take the place of an enrichment class?
    - Yes, but you do not have a choice as to what enrichment class it will replace.

13. If I am interested in challenge classes, how many applications can I submit?
    - Up to four. Most challenge classes are full year and therefore limit the number of challenge classes you could be in.
    - You need one application per challenge class because the applications go to different teachers.

14. I do not want any challenge classes. Do I have to submit an application?
    - No.

15. What will happen if I do not submit a challenge application?
    - You will not have the opportunity to be selected for a challenge class.

16. I am moving over the summer. Do I have to submit an enrichment sheet?
    - Yes. In case your plans change.
17. What will happen if I do not submit the enrichment form?
   - We will either find you to complete the process or the computer will pick classes for you and you will not be able to change any of the classes you were placed in.

18. Can I change my enrichment classes after I see my schedule in September?
   - No schedules will be changed.
     - The only exception is into or out of Band/Chorus or out of a challenge class.

19. What if I miss the challenge application due date?
   - You may not be considered for the class.
