1. Sound Systems
 - a. To be furnished by the user,
 - b. Installed in such a manner that lines cannot be tripped over,
 - c. All extension cords must be UL approved and be used in a safe manner
2. Props
 - a. Only free standing props will be used,
 - b. Props will not be mounted to wall nor affixed in any manner to stage curtains,
 - c. Stage area will be cleared for each school day of any props that would be a hazard to normal school use.
3. Special Lighting
 - a. Only lights that are portable and on stage only,
 - b. No lights are to be installed off stage,
 - c. A rotating spot on portable casters can be used during performance and removed from building during school hours.
4. Insurance

Insurance certificate will be furnished by user.
5. Fire permit shall be obtained from the Fire Marshal by the applicant.
6. Pre-inspection of Space

Prior to use of space, representative may wish to overview the area with a Board of Education representative and both representatives will list any damages. The using group will not be responsible for any damages noted by Board of Education representatives.
7. Building/Grounds rental rates and custodial service fees will be established annually by the Board Secretary.

A. Classification of Users

Organizations and individuals using school facilities will be classified as Class I, II, or III users as follows:

1. Class I users will be given priority for the use of school facilities over other users and may use school district facilities without payment of a use fee or charge for custodial service (fuel, water, and electricity) costs on weeknights only when district custodians are on duty. Class I users will be charged custodial service fees for request for facility use occurring on Saturday, Sunday and/or holidays. Class I users include the following organizations and individuals:

MYAA

HSA

MEA

All Local Municipal Departments

All Local Homeowner Associations

Boy Scouts

Girl Scouts

2. Class II users will be given priority for the use of school facilities over Class III users and may use school district facilities without payment of a use fee but will be charged custodial and service costs. Class II users will be determined by the Superintendent or his/her designee at time of application.
3. Class III users will be given lowest priority for the use of school facilities and may use school district facilities only on payment of a use fee and charges for custodial and service costs. Class III users will be determined by the Superintendent or his/her designee at time of application.

B. Application Procedures

1. A complete application must be made in writing and on the form supplied by the school district. The form is available in the office of the Operations & Maintenance Supervisor.
2. Application for use of school facilities and/or grounds must be submitted to the Operations & Maintenance Supervisor not less than 15 working days before the date of the requested use. A use that requires the approval of the Board must be submitted not less than 30 working days prior to a regular Board meeting.
3. The application must be signed by an adult representative of the requesting organization, who will be considered by the Board to be the agent of the organization.
4. The application must include all the facilities and/or grounds that the applicant wishes to use and all the dates and times of the requested use. Approval of any application is limited to the facilities, dates, and times expressly requested on the application. Approval does not include the privilege of additional rehearsal time or the use of rooms or buildings not expressly requested.
5. The application must include all the equipment and supplies that the applicant wishes to include in the use, pursuant to Policy No. 7520, Loan of School Equipment.

C. Approval

1. The Operations & Maintenance Supervisor or designee will review each application and check the school calendar to determine whether the facility requested is available at the date and time requested, that is, the facility has not been scheduled.
 - a. For use in the instructional or co-curricular program,
 - b. For maintenance, repair, or capital improvement, or
 - c. For use by another organization.
2. If the facility is not available for use, the Operations & Maintenance Supervisor or designee will so inform the representative of the organization and may suggest alternative dates, times, or facilities.
3. If the facility is available for use and the applicant meets the standards set by Policy No. 7510 and these regulations, the Operations & Maintenance Supervisor or designee will note his/her approval on the application form and will record the classification of the applicant organization or forward referral to the Board for requests that may be approved only by the Board.
4. Standards for approval include the following limitations on use:
 - a. School facilities are available for use only on weeknights, Saturday and Sunday. School facilities are not available for use during school vacations, emergency school closing and other public holidays.
 - b. School facilities are available for use only during the hours of 5:30 p.m. and 9:30 p.m. and 8:00 a.m. and 6:00 p.m. on Saturday and Sunday. School facilities are not available for use during the school day.
 - c. The use of school facilities will generally not be granted for observances or celebrations that are essentially private in nature or for meetings of small groups that can conveniently convene in private homes such as birthday parties, baby/bridal showers and anniversaries.

- d. In accordance with Policy No. 7510, the use of school facilities will not be granted for the advantage of any partisan political activity, or any purpose that is prohibited by law.
 5. The Superintendent of Schools or designee will determine the classification (I, II, or III) of the applicant organization and the fees and costs, if any, to be charged for the use of the facility. That information will be entered on the application form.
 6. In the event of a conflict between requesting organizations within the same class, the request received earlier by the district will be honored first.
 7. A copy of each approved or disapproved application will be distributed to the representative who signed the application form.
 8. The application form will include the rules governing the use of school facilities and the representative's signature on the application will signify notice of those rules and the organization's agreement to be bound by those rules.
 9. The Board reserves the right to deny an application and to withdraw permission to use school facilities after approval has been granted and after the use has commenced. Permission may specifically be withdrawn from any organization whose representative has willfully made misrepresentation on the application or whose members violate the rules established for the use of school facilities. Such withdrawal of permission may constitute grounds for denying a future application made by the organization.
 10. Permission to use school facilities is not transferable.
 11. The organization representative must inform the Operations & Maintenance Supervisor or designee of any canceled use request as soon as he/she is aware of the cancellation. An organization's failure to inform the Operations & Maintenance Supervisor or designee of a canceled use at last 72 hours in advance of the scheduled time of the use may result in imposition of service charges.
 12. Permission to use a school facility is automatically withdrawn on a day when the facility is closed for inclement weather, work stoppage, or any emergency.
- D. Insurance and Indemnification
1. The representative of an organization granted permission to use a school facility must assume responsibility for the orderly and careful use of the facility and must agree to assume liability for any damage or loss of property caused by the use or in the course of the use.
 2. The organization and/or its representative will hold the Board of Education harmless from claims arising out of the permitted use of the school facility or during the user's occupancy. In addition, the user shall agree to save the Board harmless from liability for injury or damage to any person or property of any person who may be attending or participating in the function or activity for which permission has been granted.
 3. The user shall furnish evidence of the purchase of liability insurance in the amount of:
 - a. \$10,000 per person,
 - b. \$1,000,000 per accident or event, and
 - c. \$1,000,000 property damage.
- E. Rules for the Use of School Facilities
1. Users of school facilities will be bound by the law.
 - a. Users must comply strictly with all applicable statutes; municipal ordinances; and rules of the Board of Health, Fire Department, and Police Department regarding public assemblies.
 - b. The use must not exceed the established capacity of the facility used.
 - c. The use must not involve gambling or games of chance.
 - d. The use, possession, and/or distribution of alcohol and/or controlled dangerous substances is absolutely prohibited, in accordance with law and Policy Nos. 5530 and 7435.

- e. Smoking is prohibited in accordance with Policy No. 7434.
 - f. School facilities cannot be used for any purpose prohibited by law or likely to result in rioting, disturbance of the peace, damage to property or for the purpose of defaming others.
2. Users of school facilities will respect Board property.
- a. The user will not damage, destroy, or deface school property. The facility will be used with care and left in an orderly and neat condition.
 - b. The user must obtain the building principal's permission to bring equipment, decorations, or materials to the school facility. No equipment, decorations, or materials may be nailed to floors, walls, windows, woodwork, curtains or fixtures or affixed to the same in any manner that defaces or damages school property.
 - c. Any equipment, scenery, decorations, or other material brought to the school facility and any debris caused by the use or remaining after the use must be promptly removed by the user. Any such materials left on school premises more than 24 hours after the use may be removed by the Board at the user's expense. The Board assumes no liability for damage to or loss of materials brought to school facilities.
 - d. Users of the gymnasium must ensure that all participants wear rubber-soled footwear to prevent damage to the floors.
 - e. No school facility may be used for a purpose in conflict with the purpose for which the facility was designated.
 - f. Lighting equipment, ventilation systems, and thermostatic controls may be operated only by an employee of the district.
 - g. The user must obtain the District's permission serve and consume food and/or beverages on school premises. The service and consumption of food and/or beverages is strictly limited to the cafeteria. No food or drink shall be served or consumed in any gymnasiums. If food and/or beverages are served, the user must clean all utensils, equipment, serving dishes, and the like and restore the facility to its proper condition. The user may not consume food or beverages or use supplies purchased with public funds.
 - h. No signs, posters, advertisements, or other displays may be placed in a school building without the approval of the building principal or designee.
 - i. No school keys shall be issued to a user.
 - j. No animal shall be allowed on school premises without the approval of the building principal.
 - k. The district custodial staff and organization's representative are responsible for examining the facility immediately after the use and documenting any loss or damage that must be corrected.
 - l. Permission to use school facilities extends only to the facility requested. Users are not entitled to enter health offices, administrative offices, storage closets, or any other room to which permission to use has not been expressly granted. Users are not permitted to use district telephones, word processors, and office equipment. Users may make use of public telephones.
 - m. No vehicles of any type shall be operated in any area that is not designed for such vehicles.
3. Uses Must be Properly Supervised.
- a. A school custodian must be on duty during the entire time a use occurs. The custodian is present for the purpose of insuring the security and proper functioning of the facility and of enforcing these regulations. The custodian is paid by the Board and may not accept gratuities from users. If the custodian is directed by the Operations & Maintenance Supervisor or designee to perform extra

services as an accommodation to the user, the user will be charged an additional fee and the custodian will be compensated accordingly by the district.

- b. The use of certain school facilities (such as kitchen and auditorium stage) require the services of school employees trained in the use of the facility. The user will be charged an additional fee and the school employee will be compensated accordingly by the district.
- c. The user must assume full responsibility for the conduct of all participants in the use while they are in or about school buildings and grounds and must enforce these regulations. The user must provide an adequate number of persons to supervise participants in the activity.
- d. The user must, in consultation with the Principal, anticipate the need for the assistance of police officers, fire fighters, and/or parking attendants. All such services must be arranged by the user and will be at the expense of the user. When a user refuses or fails to secure police, fire, and/or parking assistance after having been advised to do so by the Principal, the Principal may recommend that permission to use the facility be withdrawn.
- e. Board members and school officials are entitled to full and free access to any part of the school premises during any use. No user may exclude a Board member or school official from a school facility for any reason.

F. Fee Schedule

- 1. Class I users will not be charged a fee or costs for the use of schools, except that special charges for the specific services of school employees rendered pursuant to E3a and E3b will be billed.

N.J.A.C. 5:70-3 SECTION 609 COMMERCIAL KITCHEN HOODS

Definition – Commercial Cooking Appliances:

Appliances used for heating or cooking food which will produce grease vapors, steam, fumes, smoke or odors that are required to be removed through a local exhaust system. Such appliances include deep fat fryers; upright broilers; griddles; broilers; steam-jacketed kettles; hot-top ranges; under-fired broilers (char broilers); ovens; barbeques; rotisseries; and similar appliances.

N.J.A.C. 5:70-3, 609.1 General:

Commercial kitchen exhaust hoods including those in mobile enclosed units shall be maintained in accordance with the requirements of the mechanical subcode of the Uniform Construction Code and NFPA 96.

N.J.A.C. 5:70-3, 609.2 Maintenance:

Commercial kitchen exhaust systems shall be cleaned to remove deposits of residue and grease in the system at intervals specified in the cleaning schedule required to be submitted in accordance with Section 609.2.1. Thorough cleaning of ducts, hoods and fans shall require scraping, brushing or other positive cleaning methods.

N.J.A.C. 5:70-3, 609.2.1 Cleaning schedule:

Where a cleaning schedule is not on file, the fire official shall require a schedule to be submitted, indicating the method of cleaning and the time intervals between cleanings.

N.J.A.C. 5:70-3 SECTION 904 FIRE PROTECTION SYSTEMS

N.J.A.C. 5:70-3, 904.1 General:

Automatic fire-extinguishing systems, other than automatic sprinkler systems, shall be inspected, tested and maintained in accordance with the provisions of this section and the applicable referenced standards.

N.J.A.C. 5:70-3, 904.2.1 Commercial hood and duct systems:

Each required commercial kitchen exhaust hood and duct system required by Section 609 to have a Type I hood including mobile enclosed cooking operations shall be maintained in accordance with this code.

N.J.A.C. 5:70-3, 904.3 Installation:

Automatic fire-extinguishing systems shall be installed in accordance with the fire subcode of the Uniform Construction Code.

N.J.A.C. 5:70-3, 904.11 Commercial cooking systems:

The automatic fire-extinguishing system for commercial cooking systems shall be of a type recognized for protection of commercial cooking equipment and exhaust systems of the type and arrangement protected. Pre-engineered automatic dry- and wet-chemical extinguishing systems shall be tested in accordance with UL 300 and listed and labeled for the intended application. Other types of automatic fire-extinguishing systems shall be listed and labeled for specific use as protection for commercial cooking operations. The system shall be installed in accordance with this code, its listing and the manufacturer's installation instructions. Automatic fire-extinguishing systems of the following types shall be installed in accordance with the referenced standard indicated, as follows:

- 1) Carbon dioxide extinguishing systems, NFPA 12.
- 2) Automatic sprinkler systems, NFPA 13.
- 3) Foam-water sprinkler system or foam-water spray systems, NFPA 16.

A manual actuation device shall be located at or near a means of egress from the cooking area a minimum of 10 feet (3048 mm) and a maximum of 20 feet (6096mm) from the kitchen exhaust system. The manual actuation device shall be installed not more than 48 inches (1200 mm) nor less than 42 inches (1067 mm) above the floor and shall clearly identify the hazard protected. The manual actuation shall require a maximum force of 40 pounds (178 N) and a maximum movement of 14 inches (356 mm) to actuate the fire suppression system. Exception: Automatic sprinkler systems shall not be required to be equipped with manual actuation means.

N.J.A.C. 5:70-3, 904.11.2 System interconnection:

The actuation of the fire extinguishing system shall automatically shut down the fuel or electrical power supply to the cooking equipment. The fuel and electrical supply reset shall be manual.

N.J.A.C. 5:70-3, 904.11.3.1 Ventilation system:

Commercial-type cooking equipment protected by an automatic carbon dioxide extinguishing system shall be arranged to shut off the ventilation system upon activation.

N.J.A.C. 5:70-3, 904.11.5 Portable fire extinguishers for commercial cooking equipment:

Portable fire extinguishers shall be provided within a 30-foot (9144 mm) travel distance of commercial-type cooking equipment. Cooking equipment involving vegetable or animal oils and fats shall be protected by a Class K rated portable extinguisher.

N.J.A.C. 5:70-3, 904.11.5.1 Portable fire extinguishers for solid fuel cooking appliances:

All solid fuel cooking appliances, whether or not under a hood, with fireboxes 5 cubic feet (0.14 m³) or less in volume shall have a minimum 2.5-gallon (9 L) or two 1.5-gallon (6 L) Class K wet-chemical portable fire extinguishers located in accordance with Section 904.11.5.

N.J.A.C. 5:70-3, 904.11.5.2 Class K portable fire extinguishers for deep fat fryers:

When hazard areas include deep fat fryers, listed Class K portable fire extinguishers shall be provided as follows:

- 1) For up to four fryers having a maximum cooking medium capacity of 80 pounds (36.3 kg) each: One Class K portable fire extinguisher of a minimum 1.5 gallon (6 L) capacity.
- 2) For every additional group of four fryers having a maximum cooking medium capacity of 80 pounds (36.3 kg) each: One additional Class K portable fire extinguisher of a minimum 1.5 gallon (6 L) capacity shall be provided.
- 3) For individual fryers exceeding 6 square feet (0.55 m²) in surface area: Class K portable fire extinguishers shall be installed in accordance with the extinguisher manufacturer's recommendations.

N.J.A.C. 5:70-3, 904.11.6 Operations and maintenance:

Commercial cooking systems, including mobile enclosed cooking operations, shall be operated and maintained in accordance with this section.

N.J.A.C. 5:70-3, 904.11.6.1 Ventilation system:

The ventilation system in connection with hoods shall be operated at the required rate of air movement, and classified grease filters shall be in place when equipment under a kitchen grease hood is used.

N.J.A.C. 5:70-3, 904.11.6.2 Grease extractors:

Where grease extractors are installed, they shall be operated when the commercial-type cooking equipment is used.

N.J.A.C. 5:70-3, 904.11.6.3 Cleaning:

Hoods, grease-removal devices, fans, ducts and other appurtenances shall be cleaned at intervals necessary to prevent the accumulation of grease. Cleanings shall be recorded, and records shall state the extent, time and date of cleaning. Such records shall be maintained on the premises.

N.J.A.C. 5:70-3, 904.11.6.4 Extinguishing system service:

Automatic fire-extinguishing systems shall be serviced at least every 6 months and after activation of the system. Inspection shall be by qualified individuals, and a certificate of inspection shall be forwarded to the fire code official upon completion.
